meteorology, hydrology

SECTION II – BASIC INFORMATION

SEKCJA III - PROCUREMENT INFORMATION

3.1.) Procurement name

Supply, installation and commissioning of power generators, emergency power supplies and fire protection circuit breakers at hydrological and meteorological stations

3.2.) Type of procurement: Works

3.3.) Short description of the subject of the contract: Contract: OVFMP 4A.1.8

The subject matter of the contract is the supply, installation and commissioning of power generators, emergency power supplies and fire protection circuit breakers at hydrological and meteorological stations for the locations indicated. The supplied devices will ensure emergency power supply to the station in case of a power failure in the primary network.

The scope of delivery includes the following locations:

1. Meteorological Station Terespol, 42 Polna St., 21-550 Terespol
2. Meteorological Station Siedlce, 284 Piaskowa St., 08-103 Siedlce,
3. Meteorological Station Mława, 14 Szreńska St., 06-500 Mława
4. Hydrological and Meteorological Station Płock, Nowe Trzepowo 56, 09-402 Płock,
5. Hydrological and Meteorological Station Piła, 24 Miedziana St., 64-920 Piła,
6. Meteorological Station Mikołajki,128 Kajki St., 11-730 Mikołajki,
7. Meteorological Station Kętrzyn,31 Bydgoska St., 11-400 Kętrzyn

8. Automatic Synoptic Station Koło-Radoszewice, Radoszewice, 62-620 Babiak

As part of the subject matter of the order the Contractor is obliged, in each location mentioned above:

- Develop and then agree with the Purchaser on the Technical Design of the Guaranteed Power Supply System
- Dismantle the existing guaranteed power supply system
- Deliver, install and commission the generator set
- Provide, install and configure emergency power supply unit
- Provide, install the ATS system
- Perform installation work necessary for proper operation of the uninterruptible power supply system
- Provide and execute the necessary infrastructure including the foundation for the generator set
- Make fire protection circuit breakers for the generator, emergency power supply unit and additionally the whole building,
- Prepare, and then agree with the Distribution System Operator appropriate for the location, the "Operation Cooperation Manual"
- Conduct acceptance tests of the upgraded uninterruptible power supply system together with the Purchaser
- Prepare and submit as-built documentation to the Purchaser
- Conduct training at each location on the day-to-day operation of the equipment and training on the operation, maintenance, repair of installed equipment
- Execute warranty service on all equipment supplied and work performed for a period of 5 years

A detailed description of the Object of the Order is included in the Bidding Documentation.

3.6) Deadline for submission of applications or bids: 2022-10-18 11:00

3.7) Information for contractors on the terms and conditions of the contract

The bidding process will be conducted in accordance with the International Competitive Bidding (ICB) procedures set out in the "World Bank Manual: Procurement of Goods, Works and Non-Consulting Services under IBRD Loans and IDA Loans and Grants by World Bank Borrowers, dated January 2011, as amended in July 2014," (the "World Bank Procurement Manual") and is open to all eligible bidders as defined in the World Bank Procurement Manual. In addition, please see Sections 1.6 and 1.7, which outline the World Bank's conflict of interest policy.

Interested eligible bidders may obtain further information at the Institute of Institute of Meteorology and Water Management - National Research Institute in Warsaw, 61 Podleśna St., 01-673 Warsaw at Ms Małgorzata Kozak-Dymarska, e-mail: BSprzetargi@IMGW.pl and to view the tender documents during working hours from 8:00 a.m. to 4:00 p.m. at the address below.

Interested eligible bidders may receive the complete bidding documents in Polish and/or English, including
- the entire documentation in electronic form in PDF format by e-mail to the e-mail address indicated by the bidder in the application,
- the entire documentation in paper form will be sent immediately after receipt of the application to the postal address indicated by the bidder in the application, by courier service.

Upon submission of the proposal in electronic form to the email address: BSprzetargi@IMGW.pl or in paper form to the address: Institute of Meteorology and Water Management National Institute Research Institute (marked OVFMP 4A.1.8 - World Bank)
to Ms. Małgorzata Kozak-Dymarska
61 Podlesna St.,
01-673 Warsaw, Poland
Telephone: +48 22 56 94 263, Fax: +48 22 834 18 01,
Website: www.imgw.pl (https://bip.imgw.pl).

An editable version of Section IV - Bidding Forms (in Word doc format) will also be submitted together with the paper copy or with the documentation in electronic version only. In case of discrepancies, the paper version shall prevail. A set of bidding documents in paper version will be sent by courier service. Bidders shall also bear the cost of courier delivery (cash on delivery) to the indicated address.
